

SCHUYLKILL COUNTY AIRPORT AUTHORITY

MISSION STATEMENT

The mission of the Schuylkill County Airport Authority is to provide safe, efficient, and customer-focused aviation services to our community and region. We are committed to maintaining and enhancing our airport facilities, promoting economic growth and development, and fostering a welcoming and collaborative environment for all airport users.

WE STRIVE TO ACHIEVE THIS MISSION BY:

- Providing a safe and secure airport environment for all users, including passengers, charter services, tenants, and employees.
- Delivering high-quality airport services, safety, and airport maintenance and operations.
- Developing and maintaining modern airport facilities that meet the needs of our community and region, including runways, taxiways, terminal buildings, and support facilities.
- Supporting economic development by attracting new businesses, industries, and investment to our region through our airport's strategic location, transportation connectivity, and business-friendly policies.
- Promoting environmental sustainability by implementing practices that maximize the airport's positive impact on the environment.
- Collaborating with our airport partners, including air charter services, tenants, and other stakeholders, to enhance the overall customer experience and ensure the continued success of our airport.

In all that we do, we are committed to excellence, integrity, and transparency, and we strive to be a trusted partner and responsible steward of our community's aviation assets.
